

2024 Homeland Missions Project Funding Application

These are Columbia Union funds which are distributed to the local conferences to assist them with local projects that are evangelistic in nature and make a community impact. Projects must be financially supported by and subject to the governance of the local conference. If a project has its own 501c3 it is subject to NAD policy C-47 and is not eligible to receive Columbia Union funds. Funding subsidies are made one year at a time for a maximum of 3 years. Funding applications must be submitted annually. Present funding does not guarantee future funding.
